Meaningful Use Attestations

in the CT Medical Assistance Provider Incentive Repository (MAPIR) System – Second/Subsequent Payment Year

Are you preparing to begin your Meaningful Use attestation for the CT Medicaid Incentive Program but have some questions before you start?

This virtual forum will focus on Meaningful Use and the changes that have been made to the MAPIR system for Program Year 2013. We will provide you the opportunity to ask your questions and watch live demonstration without leaving your office.

Please note: If you have not attested for your first year payment in the Medicaid EHR Incentive Program and would like to attend a beginner's forum, we are holding separate forums for Adopt/Implement/Upgrade (AIU) attestation process for the first payment year. Please visit the EHR Incentive Program Page from our Web site www.ctdssmap.com and access the Forum invitation for AIU attestation for Year 1.
